JUSTIFICATIVA PARA O AFASTAMENTO

Eu, Klaus André de Sousa Medeiros, portador do CPF: 061.505.634-21 e RG: 002.153.152, servidor público federal, com dedicação exclusiva, em exercício nesta instituição desde o dia 04 de abril de 2016, como docente do campus Angicos/RN, atualmente afastado para qualificação doutoral na UFSCar até 03 de fevereiro de 2023 (Portaria UFERSA/GAB Nº 0055/2019), venho por meio deste solicitar afastamento do país para realizar doutorado sanduíche na Brigham Young University (BYU), Provo/UT, Estados Unidos da América, no Civil and Environmental Engineering Department sob a supervisão local do professor Dr. Fernando Fonseca.

O pedido se justifica pela excelente oportunidade de continuação da pesquisa de doutorado em uma renomada universidade nos Estados Unidos que conta com quase 34.000 alunos diariamente frequentando o seu campus. Através de uma parceria estabelecida entre meu orientador na UFSCar, o professor Dr. Guilherme Parsekian, e o professor da BYU, Dr. Fernando Fonseca, poderei aprofundar meus conhecimentos sobre o comportamento de estruturas de alvenaria submetidas a ações cíclicas na direção do próprio plano (tipo de ação que ocorre em eventos sísmicos) aprendendo relevantes técnicas de simulações numéricas e experimentais no laboratório de engenharia estrutural da citada universidade. Ver-se nos documentos em anexo mais detalhes do plano de trabalho para o período e confirma-se a minha aceitação pela universidade com ajuda de custo para a estadia, verba essa oriunda de pesquisa do Dr. Fernando Fonseca.

Deste modo, as contribuições dessa experiência se relacionam ao desenvolvimento profissional e pessoal. No âmbito profissional, será proporcionada uma evolução conceitual teórico-metodológica e prática da pesquisa que vem sendo desenvolvida no doutorado, oportunizando a vivência com experts no tema de estudo e usufruindo da infraestrutura de alto nível operacional. Outra contribuição positiva refere-se ao desenvolvimento da capacidade crítica e o contato com estudantes e professores de uma universidade fora do Brasil. No aspecto pessoal, além do engajamento no aprendizado da língua inglesa, a convivência com outros valores culturais e costumes se constituem em valiosas contribuições.

Por fim, destaca-se que o afastamento implicará em uma maior qualificação do aluno, o que, conseqüentemente, agregará na carreira docente do mesmo nos anos seguintes na UFERSA.

Dear Mr. Klaus Andre de Sousa Medeiros,

Congratulations on being selected as an exchange visitor at Brigham Young University. We hope your time with us will be mutually beneficial and rewarding.

We at International Student & Scholar Services look forward to having you on our campus. We will be working closely with your academic department to ensure that we take care of all your exchange visitor program needs. Before you arrive, please carefully read the information included in this packet as it pertains directly to the maintenance of your status while in the United States.

Enclosed you will find a Form DS-2019 and a Form DS-7002. These documents are needed to apply for a J-1 exchange visitor visa at our U.S. Embassy or Consulate. Please sign the DS-2019 at the bottom under "Exchange Visitor Certification" and sign the form DS-7002 at the bottom of page 1 before you apply for the J visa. For information on how to apply and the requirements for a visa, go to: <http://www.unitedstatesvisas.gov/>

The U.S. Department of Homeland Security (DHS) will require a SEVIS fee of \$220 (U.S. dollars) for all scholars seeking a J-1 visa at an embassy or consulate abroad. You will not be able to obtain a visa until after this fee is paid. The form to fill out and all instructions for payment of this fee are found on the web at: www.fmjfee.com. **You will need two numbers to pay the fee:** BYU's Program Number is **P-1-01876** and your SEVIS ID is **N0031041160**. Note: Canadians and others exempt from student visa requirements must also pay this fee.

Following your arrival, you will be required to visit our office at Room 1351 in the Wilkinson Student Center to register as a new exchange visitor. You will need to bring your passport and Form DS-2019 for us to copy.

If you encounter any problems, please feel free to contact us via Phone: 801-422-2695, Fax: 801-422-0644, or E-mail: intloff@byu.edu.

Sincerely,

Cristi Maetani

I certify that:

1. I have reviewed, understand, and will follow this Training/Internship Placement Plan (T/IPP);
2. I am entering into this Exchange Visitor Program in order to participate as a Trainee or Intern as delineated in this T/IPP and not simply to engage in labor or work within the United States.
3. I understand that the intent of the Exchange Visitor Program is to allow me to enhance my skills and gain exposure to U.S. culture and business in a way that will be useful to me when I return home upon completion of my program.
4. I understand that my internship/training will take place only at the organization listed on this T/IPP and that working at another organization while on the Exchange Visitor Program is prohibited.
5. I will contact the Sponsor at the earliest available opportunity regarding any concerns, changes in, or deviations from this T/IPP.
6. I will respond in a timely way to all inquiries and monitoring activities of my sponsor.
7. I will follow all of my sponsor's guidelines required for my participation in my program.
8. I will contact the U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA) at the earliest possible opportunity if I believe that my sponsor or supervisor (as set forth on page 3, section 4), is not providing me with a legitimate internship or training, as delineated on my T/IPP; and
9. I declare and affirm under penalty of perjury that the statements and information made herein are true and correct to the best of my knowledge, information and belief. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

1. I have reviewed, understand, and will ensure that the Supervisor (as set forth on page 3, section 4) follows this Training/Internship Placement Plan (T/IPP) regarding the Trainee or Intern listed above;
2. I will notify the designated U.S. Department of State's Bureau of Educational and Cultural Affairs (ECA) at the earliest available opportunity regarding any concerns about, changes in, or deviations from this Training/Internship Placement Plan (T/IPP), including, but not limited to, changes of Supervisor or host organization;
3. I will adhere to all applicable regulatory provisions that govern this program (see 22 CFR Part 62), including, but are not limited to, the following:
 - a. I will ensure that the Trainee or Intern named in this T/IPP receives continuous on-site supervision and mentoring by experienced and knowledgeable staff;
 - b. I have confirmed with the Supervisor or host organization representative that sufficient resources, plant, equipment, and trained personnel will be available to provide the specified training or internship program set forth in this T/IPP;
 - c. I will ensure that the Trainee or Intern named in this T/IPP obtains skills, knowledge, and competencies through structured and guided activities such as classroom training, seminars, rotation through several departments, on-the-job training, attendance at conferences, and similar learning activities, as appropriate in specific circumstances;
 - d. I will ensure that the Trainee or Intern named in this T/IPP does not displace full-or part-time temporary or permanent American workers or serve to fill a labor needed and ensure that the position that the Trainee or Intern fills exists primarily to assist the Trainee or Intern in achieving the objectives of his or her participation in this training or internship program;
 - e. I certify that this training or internship meets all of the requirements of the Fair Labor Standards Act, as amended (29 U.S.C. 201 et seq.), I also certify that training or internships in the field of agriculture meet all requirements of the Migrant and Seasonal Worker Protection Act, as amended (29 U.S.C. 1801 et seq.)
 - f. I will notify the Department of State if I receive information regarding a serious problem or controversy involving the Trainee or Intern named in this T/IPP that could be expected to bring the Department of State, the Exchange Visitor Program, or the Sponsor's exchange visitor program into notoriety or disrepute; and
 - g. I declare and affirm under penalty of perjury that the statements and information made herein are true and correct to the best of my knowledge, information and belief. Each Training/Internship Placement Plan should cover a definite period of time and should consist of definite phases of training or tasks performed with a specific objective for each phase. The plan must also contain information on how the trainees/interns will accomplish those objectives (e.g. classes, individual instruction, shadowing). Each phase must build upon the previous phase to show a progression in the training/internship. A separate copy of pages 3 and 4 must be completed for each phase if applicable (e.g.: if the trainee/intern is rotating through different departments).

Description of Trainee/Intern's role for this Program or Phase

Take part in the daily tasks at the structural engineering laboratory at the Civil and Environmental Engineering Department. He will perform research related to masonry walls behavior.

Specific Goals and Objectives for this Program or Phase

Provide the Student Intern with research experience. This expertise will be useful to complete the PhD requirements in Civil Engineering Structures at the Federal University of Sao Carlos. He will be trained in multiple relevant techniques of experimental analysis and numeric computational simulations. By the end of his training, he will be prepared to interpret data from multiple types of experiment and developing models for further adverse conditions.

Please list the names and titles of those who will provide continuous (for example, daily) supervision of the Trainee/Intern, including the primary supervisor. What are these persons' qualifications to teach the planned learning?

Dr. Fernando Fonseca, Professor, Department of Civil and Environmental Engineering at Brigham Young University with a specialty in structural engineering. Voting member of The Masonry Society and the ASCE/SEI Wood Education Committee and has been working as Structures/Structural Mechanics Committee Chair at BYU and the Advisor of the Society of Hispanic Professional Engineers (SPHE).

What plans are in place for the Trainee/Intern to participate in cultural activities while in the United States?

Take part in cultural exchange activities inside and outside the university. Sports, clubs, associations, meetings with academic community, participation in conferences and lectures, visits to museums and art galleries. Utah has many outdoor activities options.

What specific knowledge skills, or techniques will be learned?

Student will improve his knowledge on masonry walls structures behavior submitted to in-plane cyclic actions applying experimental and computational techniques supporting by finite element method software.

How specifically will these knowledge, skills, or techniques be taught? Include specific tasks and activities (Interns) and/ or methodology of training and chronology/syllabus (Trainees).

Student Intern will be engaged in the laboratory with other doctoral colleagues. He will learn and observe experimental and modeling techniques, then practice one or two tasks at a time. It is expected that he becomes independent and proficient so that he can complete these routines himself. Weekly team meetings with debate and opportunities for questions.

How will the Trainee/Intern's acquisition of new skills and competencies be measured?

Biweekly evaluation by Professor/Supervisor. Competencies measured by the research results he achieves. Encouraged to produce papers based on his work for scientific events. Conclusions documented in a final written report that will be submitted to his advisor at the Federal University of Sao Carlos.
